MEMORANDUM FOR: Secretary of the Interior

ATTENTION: Robert Smoak  
Department Foreign Intelligence  
Security Officer

FROM:   
Director of Security

SUBJECT: DCID 1/14

REFERENCE: Your Letter, dated 29 January 1981

1. Please be advised that, henceforth, the requirement for reinvestigation of Department of Interior personnel who hold SCI access may be satisfied by completion of a National Agency Check and such local checks as are appropriate; the minimum local checks called for by DCID 1/14 being police and credit. It is understood that a full field investigation will be initiated when, in your judgment, there is any change in the status of an employee that could reflect on suitability for SCI access.

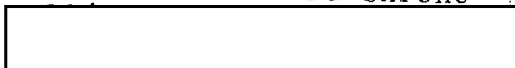

2. Our adjudication of suitability for continued access will be accomplished with no change in existing arrangements and procedures; i.e., review and evaluation of updated biographic information along with the results of investigative action forwarded for our retention.
